SUBJECT:	Submission:	Amended Label
	Product Name:	Tebucon 3.6F Fungicide
	Active Ingredient:	Tebuconazole
	Company:	Repar Corporation
	EPA File Symbol:	69361-11

Dear Ms. Waller:

This is to notify the EPA that we are submitting 5 copies of the Amended Label for Tebucon 3.6F Fungicide (EPA Reg. No.: 69361-11). The product label was amended to include additional uses for terrestrial food crops, terrestrial food crops- seed treatment, and terrestrial food crops – foliar treatment.

As advised by your June 26, 2008 letter, we have revised the Tebuconazole Technical (EPA Reg. No.: 69361-10) label in the **Directions for Use** under the **Terrestrial Non-Food**, we have deleted “and paint systems for in-film preservation including paper coatings for indoor, non-food contact uses, glues and adhesives, and metal working fluids against biodegradation.”

Thank you for your comments and assistance on this subject matter.

Sincerely,

N. Bhushan Mandava, Ph.D.
